

July 18, 2018

Greetings Parents and Players,

I would like to take this opportunity to thank each of you for another great season. This was a very interesting year, to say the least. We had a couple of coaching changes that impacted some of our rosters, there were financial hardships that prevented us from traveling as much as we desired, but through it all we made it. I can't thank you enough for remaining dedicated to the program.

This weekend is our last tournament of the season. Our 15U and 17U teams will play a minimum of 7 games apiece (14 game minimum for the program in 3 days). This is an opportunity to end our tournament season on a high note. It would be an awesome experience to have the gyms full of supporters at the tournament cheering on the Panthers!

After this weekend I realize that I will not see many of you as regularly as I did throughout the season. I wish all of you the very best during the 2018-19 basketball season. My coaching responsibilities at Eisenhower High School will prevent me from seeing you guys play for your respective schools. Please continue to strive for excellence on and off the court. Always remember that I'm a text/phone call away to assist you in any way that I possibly can! Thank you for being a part of my family! One Family, One Vision, One Accord!

Sincerely,

Coach J

Friday, July 20th
